**NEW PROTOCOLS:**

Staying safe is important so the following new protocols are in place:

- Enter and Exit through Get Fit main door, with mask if required.

**-ONLY 1 SPECTATOR PER CHILD. NO OTHER SIBLINGS!** Sit 6 feet apart. Parents may come in to front desk area.

- Students will have to hand and foot sanitize before and after class.

- Instructors will have to sanitize before and after each class.

If your child does not feel well, stay home, call in and you will be given a make up class.

**SIGNING YOUR CHILD UP**

Classes go by age, up to Beginning. Look under "Program Fees" to see the name of your class. Look through the schedule, pick a day that works best for you. **Fees are due by the first day of class.**
