

**WELCOME TO
TUMBLE TYME
GYMNASTICS CENTER!**

Tumble Tyme gymnastic center is designed to give your child the best gymnastic experience whether they are beginning or advanced! Classes are for boys and girls. Tumble Tyme has been carefully designed to offer all the Olympic events. You may not even notice the spring floor because it is recessed into the concrete for safety. It is Olympic regulation size. The "Kidz system is a set of 4 bars and rings that are smaller and closer to the ground and provides exceptional fun for preschoolers.

- Students will have to hand sanitize before and after class.
 - Instructors will have to sanitize before and after each class.
- If your child does not feel well, stay home, call in and you will be given a make up class.

SIGNING YOUR CHILD UP

Classes go by age, up to Beginning. Look under "Program Fees" to see the name of your class. Look through the schedule, pick a day that works best for you. If your child is beginning and is 6 or older, sign up for Beginning. Your instructor or front desk staff will know when your child will be ready to move to a different level.

Sign up by September 1st by coming to the front desk, signing the form and paying the fees.

OPEN GYM

To be posted at the Gym and on the website. This is a time to come and practice the skills they want to spend more time on. \$2 per child and will only be for students enrolled in class.

BIRTHDAY PARTIES

We are not doing birthday parties at this time.

CLASS DESCRIPTIONS

TINY TOTS: Must be age 3 at the start of the semester and potty trained. Children get introduced to basic gymnastic equipment, and learn how to move their bodies around freely.

TOTS: Ages 4 to 5 years. This class teaches basic gymnastic movements in a fun environment, learning skills, balance, coordination as well as how to take direction.

BEGINNING: Beginning Gymnastics for ages 6 and up. This class teaches correct fundamentals of tumbling and apparatus skills in a progressive manner while having fun.

LEVEL 1: Must be able to do Hip pullover, Back hip circle, Bridge and Cartwheels. One year minimum experience or instructor invitation for this class.

LEVEL 2: Must be able to do a Back bend kick over, Mill circle and Round off.

LEVEL 3: Must be able to do a Backwalkover, Front Limber and Front hip circle. As their skills improve, this level concentrates on refining skills and learning advanced moves.

LEVEL 4 & 5: This class teaches the level 4 and 5 skills needed to advance to the next level.

TEAM:

Tumble Tyme Team has level 3-8 at this time. It is a year long commitment as they learn routines in the Fall and compete in the Spring.
