Spring Gymnastics Semester 2024

January 22 - May 17, 2024

No classes Spring break March 18-22

Tumble Tyme's gymnastics program is dedicated to providing your daughter or son with professional gymnastics instruction in a safe and fun environment. Gymnastics promotes incredible qualities such as strength, balance, agility, flexibility, and courage, which leads to self-confidence and poise. Most of all it's fun!

PROTOCOLS:

- Students will have to hand sanitize before and after class.

If your child does not feel well, stay home, call in and you will be given a make up class.

HOW TO READ THIS SCHEDULE:

Classes go by age, up to Beginning. Look below under "Program Fees" to see the name of your class. For example: If your child is 5, they would sign up for "Tots" class. Look through the schedule to see what "Tot" class best fits your needs. Sign up for that day, the class meets once per week for the whole semester. If your child is beginning and is 6 or older, sign up for Beginning. Your instructor or front desk staff will let you know when your child will be ready to move to a different Level.

All Level 2's, 3's, 4's, and 5's are encouraged to attend twice a week.

The next tryout for team will be in August. If your child is expressing interest in team competition, you can let the instructor know at any time. Team starts at Level 3. Our current Team has Levels 3 to 8. Watch the Bulletin Board for Team progress.
